

# **BLACKWATER & CO.** FURNITURE AND EVENT HIRE

Blackwater & Co. are a furniture and event hire business in Co. Meath. They design and build furniture at their workshop along the Blackwater River in Navan. Their hire business caters for boutique style weddings, corporate events, and all other family occasions.

They recently launched 'An Bosca Cáinte', a unique multifunctional Irish Telephone Box and Audio Guestbook, designed to capture memories in a charming and interactive way. Guests can record their thoughts, stories, or messages on a vintage rotary style telephone in the nostalgic setting of the classic Irish phone box, merging tradition with modern technology.

This engaging experience not only preserves personal moments but also serves as a delightful piece of decor, celebrating Irish heritage, language and culture while fostering connections among friends and family. 'An Bosca Cáinte' invites everyone to share their voices and create lasting memories.

In early August, Ciarán and Stephanie Kelly hired 'An Bosca Cáinte' for their wedding reception at the beautiful Summerhill House Hotel Enniskerry, County Wicklow. 'An Bosca Cáinte' captured precious memories of their special day.
