Read what our Abbey Couples have to say about their Wedding Day

Planning a wedding from abroad is not a problem when you are working with the professional and hands on wedding team at the 4* Abbey Hotel Roscommon. American bride Elley Tully wanted a fairytale outdoor wedding in her husband's home town. Here's what she had to say about her very magical wedding day at the Abbey "We had our ceremony and reception at The Abbey Hotel Roscommon on July 5th 2019. I cannot recommend them enough. Every detail of the day was absolutely perfect. We live in the USA but we knew we wanted to have the ceremony and reception in my Husband's hometown. We planned our wedding from the USA and so we depended so much on the wedding coordinator and the rest of the Abbey staff. They were absolutely fantastic, made sure that all of our requests were taken care of. We had absolutely no worries on the day and we were able to enjoy to the fullest. All of our friends asked us "how are you so calm?" On the day and it was completely due to the care and attention from the wedding coordinator and the Abbey team. There were so many small details that went into the execution of the day. We were so lucky to have the ceremony outside on the Abbey's Beautiful grounds but the whole team was prepared if the weather didn't cooperate. Everyone was commenting that it was one of the best wedding they had attended. I can't recommend the Abbey Hotel enough if you want your special day to be absolutely flawless.

- ELLEY TULLY USA

It's hard to describe how easy and enjoyable it was to deal with the Abbey. We got married there on Saturday 30th November 2019. I booked the wedding after meeting Geraldine back in April or May. She was so helpful, kind and had a great idea of what we were looking for. The process from start to finish was so easy. Sarah the wedding coordinator was a dream. So friendly, understanding and helpful. She was an absolute pleasure to deal with. When we walked into the room on Saturday it was breathtaking. It couldn't have been better and bar a few seating problems due to some extra guests, it went off without a hitch. The food was beautiful and everybody had enough. The staff have been so friendly and kind it was just a pleasure to be there. I would do it all over again without a second thought. Thanks guys for your outstanding service and human kindness it has made this sometimes stressful process much easier.

- EDEL & KEVIN

Our experience with the Abbey when planning our wedding was perfect from start to finish. The wedding coordinator was so helpful and attentive when planning every detail from the menu to decor. She took all the stress out of wedding planning. We have had so many compliments from our guests about the service and food on the day. The meal was delicious and served very efficiently. There was no doubt that everyone had plenty of food and was very satisfied with the meal. The room was beautifully decorated with the Abbey candelabras, cherry blossoms and fairy lights and really looked the part. A special thanks to Jacinta and her team for the excellent service, efficiency and lovely, friendly attitude. Thanks also to Tom for overseeing everything; it's not very often you see the owner of a hotel there from start to finish and checking that all the guests were happy with everything. The hotel itself is also a lovely setting and we were able to get very special photographs in the old abbey and on the staircase. We wouldn't hesitate to recommend the Abbey Hotel Roscommon to any couples planning their wedding. With many thanks,

Where shall I start... The Abbey Hotel is amazing, our wedding was magical.

I stayed in the hotel for 3 nights prior to the wedding and I was so well looked after, the staff were fantastic and very welcoming. The morning of our wedding was what I can only describe as perfect, so relaxed and once again there was lots of fun and laughter with staff and the Grealy family. We had a lot of guests arriving from Dublin, Meath and the USA and they were all made feel so welcome, each guest received top quality service. Our wedding reception was what every girl dreams of, the food was exquisite and the layout was 5 Star. Grounds are stunning, such a treat for photographers! From start to finish it was professional and the wedding coordinator was brilliant, we can't thank her enough. It was without doubt the best day we have ever had and it's all down to the hotel staff and the Grealy family, fantastic people. We will be forever grateful. Magical memories from The Abbey Hotel."

Thank you so much for giving us the most fantastic day on 6th April 2019. From the moment we had the pleasure of meeting you, you accommodated us in every way. Nothing was too much trouble and our every request was catered for. The attention to detail was second to none, from the drinks reception to table settings and beyond. We had a lot of props that required a lot of set up on the day and Geraldine and her staff listened carefully to what we wanted and set up and displayed everything exactly as we wished. We also have to commend in a special way the Chef, the kitchen personnel and the staff involved in our dinner service. We have received so many compliments from our guests about the food served on the day. The presentation and attention to detail with every dish was amazing. Furthermore, the service received from every staff member was impeccable and truly faultless. We cannot recommend The Abbey highly enough. Its staff instills confidence. They are a pleasure to deal with and are so skilled at what they do. Geraldine even emailed us some candid photographs she had taken of us on the day – just like a friend or a family member would do! That personal touch provided by The Abbey is in our opinion why it is so special. We enjoyed every moment of our day and we cannot thank Geraldine and her team enough for making our dream day a reality. We are already looking forward to returning to The Abbey and to meeting everyone again.

- SARAH & CIARÁN

We couldn't

recommend the Abbey Hotel highly enough. We got married on Friday, January 3rd so it's still only sinking in but we had an absolutely fabulous day. From initial discussions with Geraldine right through to the big day every aspect of the organising was made so simple and stress free.

The run up to the day was made so much easier due to the reassurances from Geraldine along with the wedding coordinators and the accommodation of our every need. It was a lovely and relaxed day, which is just what we had hoped for.

Everybody was singing the praises of the food especially those who had special requirements... they were really delighted with their meals from start to finish! Every detail was just perfect and we really were over the moon with the day and just had so much fun.

The staff who we encountered over the two days of the wedding were so friendly, accommodating and on the ball...I tipped my chair over at one stage and one of the staff had it upright before I could even reach down for it. The bar and function room staff were attentive to every detail and the food was fantastic. Sean was brilliant and ensured that our top table and all of our guests were happy. His gentle and kind nature really puts your mind at ease with so much happening on the day.

A special thank you to Geraldine and Tom, Lisa, Sara, Sean, Jacinta and Mark the incredible chef. - ÁINE & KEN

Planning a wedding from Canada when you want to get married at home in Ireland is not an easy task. Or so I thought before I started doing it! But I was wrong... and this is only because of the amazing wedding co-ordinators and staff at The Abbey Hotel. From the minute we stepped foot inside The Abbey, we knew this is where we wanted to have our wedding.

After our initial meeting, everything was through email as we had to go back to Canada. The staff always stayed in contact with us and made us feel at ease. We organised EVERYTHING while having the Atlantic Ocean between us – decor, menus, function rooms, times! We even organised the booking of rooms for all of our Canadians guests that were travelling over to be with us on our big day! Not for one moment did I feel worried about this as the girls and booking team

were second to none! The Abbey allowed us to do our menu and wine tasting just one week before the wedding! Special treatments like this meant the world to us as we were not able to make it over to Ireland any earlier.

On our big day things worked like clock work. The team were with us every step of the way and made everything run smoothly. If you have ever dined in The Abbey, you know the food is excellent. It lived up to its reputation on our wedding day also! The charm and the beauty of The Abbey created such a gorgeous backdrop for our pictures (and for the out-of-towners that wanted to bring some beautiful Irish pictures back to Canada!).

After our reception, we were left in the capable, friendly and fun hands of the three young bar staff that served us into the early hours of the morning. They ensured the two brides and all of our guests were well looked after!

On behalf of my wife and I, we would like to thank everyone in The Abbey Hotel for ensuring our wedding day was the most memorable day in our lives so far. We cannot wait to book in for our anniversary so we can enjoy it again and again!

- ROSEANNE AND JOSÉE

Just to say thank you so much to Geraldine, Tom Grealy and all the wonderful staff of the Abbey Hotel. They certainly gave us an amazing wedding experience and couldn't have been more professional and tailored in the handling of our event. Everyone has come away from the experience talking about how wonderful the hotel is.
